

HUDSON ACCOUNTING LTD.
INTERNAL AUDIT REPORT:
TO THE MEMBERS OF LISKEARD TOWN COUNCIL
YEAR ENDED 31ST MARCH 2022.

ISSUE DATE: 23/06/2022
ISSUED TO: TOWN CLERK & RFO

INTRODUCTION:

Internal auditing is an independent, objective assurance activity designed to improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control, and governance processes.

Scope:

The scope of the audit covers, as a minimum, the areas included in the Internal Audit Report contained in the Annual Governance & Accountability Return.

Approach:

Audit work is carried out in line with the Chartered Institute of Public Finance and Accountancy's Internal Audit Standards and guidance issued by the National Association of Local Councils.

Where applicable we have included reference to 'proper practice' and the associated guidance as laid out in 'Governance & Accountability for Smaller Authorities in England' which is applicable to financial years from 1st April 2021.

Selective testing was carried out and the relevant policies, procedures and controls were reviewed.

GENERAL COMMENTS:

We would like to thank the staff for their assistance and co-operation during the audit.

The matters raised in this report are only those which came to our attention during our internal audit work and are not necessarily a comprehensive statement of all the weaknesses that exist, or of all the improvements that may be required.

It should be noted that assurance can never be absolute. The most that the internal audit service can provide is a reasonable assurance that there are no major weaknesses in risk management, governance, and control processes. The audit does not guarantee that the accounting records are free from fraud or error.

The review undertaken obtained a level of assurance which has allowed us to complete the Internal Audit Report element of the Annual Governance & Accountability Return with no qualifications, thus in all significant respects, the control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of the Council.

We have provided a table of audit recommendations that allow for the Council's response which can be used as an ongoing monitoring tool. We would be grateful if, in due course, it is completed and returned to us.

AUDIT COMMENTARY:

Items in **bold text** within the body of the report represent our findings in respect of the application of controls, text in *italics* represent suggested actions that fall short of being a formal recommendation or do not necessarily pertain to the application of internal controls.

Previous Recommendations

There are no previous recommendations requiring action.

Accounting Records

The accounts have been properly maintained throughout the year.

Payments

A sample of payments was tested to establish whether the spending decision, procurement process, certification and approval for payment were in line with Financial Regulations as well as ensuring that payments were supported by invoices, VAT was correctly accounted for, and payment controls were applied.

Payment

Further testing revealed no issues to report.

Grants

Grants paid were compared to approvals in the Minutes and were found to be in accord.

Risk

Insurance

The Fidelity Guarantee is no longer sufficient to cover the maximum exposure which is generally calculated as reserves plus half the precept and council tax support grant.

Increasing Fidelity cover is proving problematic for some Councils and should this prove to be the case then this should be reflected in the risk assessment and existing controls reviewed in this light. Any further mitigating actions required should be implemented

Budgets

Setting

The budget and precept were properly approved by Full Council in January 2022 following a robust process.

Monitoring

Budget monitoring has been carried out regularly throughout the year.

Adequacy of Reserves

After allowing for earmarked reserves of £184,285 the general reserve stands at £354,089; equating to 62% of gross expenditure which is within generally accepted parameters.

Income

Systems were tested to ensure that suitable controls are in place to ensure that all income is received in a timely manner, that charges are correctly applied and that any cash received is promptly receipted and banked.

Interest

Investment income has been accurately reflected in the ledger.

VAT

VAT returns for the year have been submitted and the year-end claim is accurately reflected in the accounts.

TIC

TIC income is managed by way of a till which is regularly balanced; information is retained on a spreadsheet and card sales are posted to the ledger individually. Cash is paid in once a month.

Income received in September 2021 was tracked through the system, and there are no issues to report.

Leased property

Rental income is invoiced in line with the agreements in place.

Petty Cash

Petty cash payments are reimbursed on the production of receipts and vouchers are issued.

Assets

The asset register has been updated to reflect changes in the year and the total value of assets held is accurately disclosed in the AGAR.

Payroll

The March payroll was tested and there are no issues to report. The national pay award was accurately applied.

Bank Reconciliation

Monthly bank reconciliations have been carried out in a timely manner throughout the year.

The year-end bank reconciliation was found to be accurate.

Accounting Statements

The accounts were produced on an income and expenditure basis and were in accord with underlying records.

Debtors and creditors have been properly disclosed.

Trusts

The Council has met its obligations as Trustee.

Annual Internal Audit Report 2021/22

LISKEARD TOWN COUNCIL
