Dear Steve,

**Wildlife and Countryside Act, 1981 Section 53 Schedule 14
Application for Modification of Definitive Map and Statement of Rights of Way**

Addition of Alleged Right of Way near Ladye Park, Liskeard CP

Cornwall Council is considering an application for an Order under Section 53 of the Wildlife and Countryside Act 1981, to modify the Definitive Map and Statement of Public Rights of Way by the Addition of a Restricted Byway in Liskeard CP, shown as route A to B on the attached map.

In accordance with Schedule 14, Paragraph 3(1)(b) of the Act, I am required to consult you regarding this application, and would therefore be pleased to receive your observations. I look forward to hearing from you as soon as possible, but in any case no later than six weeks from the date of this letter (8 April 2019). If I do not hear from you within this time, I shall assume that you have no comments to make.

Modification Orders are about whether public rights already exist, not whether they should be created or taken away. Therefore, only **evidence** either for or against the accrual of public rights may be considered, and in this connection I should be pleased to hear from you regarding whether you are aware of any user or archival evidence. Factors such as the suitability of a way for users who have a right to use it, or the nuisance that they are alleged to cause or likely to cause, the need for public access, desirability of the way, surface conditions, safety factors, or other environmental considerations **are therefore irrelevant**, and cannot be taken into consideration.

Yours sincerely

Vicky Macleod

The fact that this map does not show a Public Right of Way does not mean that such rights may not be the subject of a current claim or claimed and proved sometime in the future.

This map has been produced by transposing the Rights of Way from the Definitive Map. The precise line of a right of way can only be determined by reference to the Definitive Map.
