

# Liskeard Accessibility Project

Improving access, increasing participation and supporting local businesses

## What the Project Delivers

### Accessible Town Guide (print + digital)

Clear, practical information to help residents and visitors access Liskeard

### Support for Local Businesses (30 venues)

Accessibility training + tailored recommendations

### Experience Liskeard Differently Day

Interactive event for decision-makers to understand real accessibility challenges

### Event Accessibility Workshop

Helping organisers deliver more inclusive events

### Accessibility Reviews

- Local businesses
- Empty properties (supporting future use & regeneration)

### Training Local Disabled Residents

Building a network of local accessibility reviewers for long-term impact

## Project Outcomes

- ✓ **Improved** access to businesses and events
- ✓ **Increased** confidence for residents and visitors
- ✓ **Increased** footfall and local economic benefit
- ✓ **Long-term** accessibility knowledge in the community

## Project Options

**Starter Project:** ~£2,000

**Full Project:** ~£18,000 (externally funded)

## Our Support

Funding applications written and submitted on your behalf

**Full project delivery** in partnership with Thown Council

**Minimal time** required from council team

**Outcome for Liskeard** ➔ A more inclusive, welcoming and accessible town for all
