35/14 DISTRIBUTION OF THE NEXT ISSUE OF THE TOWN CRIER

Councillor Purdon reported that she was preparing lists of streets for the distribution of the next issue by Councillors. The list would ensure a fairer split for the distribution by Councillors and their families, but some areas were very rural and would need transport.

Councillors commented:

- This was an opportunity to meet the electorate
- All Councillors might not be available at the time the newsletter was produced
- Not all Councillors had joined to deliver the last issue of the newsletter
- Councillors should have an opportunity to see the draft newsletter before it was printed
- There should be a "deliver by" date to ensure that the contents were current

It was agreed that councillors would be asked to sign up for delivery routes based on Councillor Purdon's work. The Mayor would be asked to speak to any Councillors who did not sign up.

The Scouts have also said that they would be willing to help with distribution in exchange for a donation.

Next week the Mayor and the Chairman would meet with the Town Clerk to discuss the content of the newsletter.

36/14 AUTUMN PLANTING

The Chairman and Councillors L. Shrubsole and Pike would visit Tartendown Nurseries to finalise the requirements for the Autumn Planting. In response to a comment about disappointment that the nurseries had found the enquiry confusing, The Chairman said that those who had expressed an interest would be visited.

Update since 28th April 2015

Visitor Numbers

So far in May we have had 483 visitors compared with 625 in 2014, half term has been unusually quiet. Profits are also down on last year, this is partly due to lower visitor numbers and also to the spread of accommodation renewals (we had more late payers last year).

Visit Cornwall Meeting

All TICs were invited to a meeting with Malcolm Bell to discuss how the new Visit Cornwall CIC will operate and how TICs will fit into their work. They are aiming to include TICs in two meetings per year plus there is a possibility that one TIC representative may be asked to join the Visit Cornwall Advisory Board who will have an additional three meetings per year. As expected there will be no financial assistance but Visit Cornwall will continue to produce their main guide and the popular dogs on beaches leaflets, in addition we are able to access their online image library for use on our own websites and promotional material.

Work Placement

We have taken on a young man for a temporary work placement, he is currently coming in for 4 hours per week and is focussing on adding events to the website. So far he seems to be settling in very well.

Opening Hours

From 1^{st} June we will be operating at full summer hours -9.30am to 5pm Monday to Friday, Saturdays remain the same at 9.30am to 12.30pm. During the school summer holidays we will remain open until 1.30pm on Saturdays.
