Subject: Highways Scheme EOI FINAL March 2018

To: Liskeard and Looe CNA Panel Members

Dear all

As agreed at the last Panel meeting I have attached this year's Expression of Interest (EoI) for the Highways Scheme. This EoI is for new schemes that you want to nominate, the outstanding schemes from last year are already included for consideration so they do not require another EoI.

Can you get your completed forms back to me by no later than Friday 3rd May 2019 please.

Can I also ask if your Council is interested in nominating a Councillor to sit on an Assessment Panel to evaluate the EoI's, if so please let me know.

The Assessment Panel will consist of two Parish/Town Councillors and two Cornwall Councillors, Paul Allen and David Read and will make a recommendation to the Panel meeting on 10 June. If I receive more than two nominations then the Chair and Vice Chair of the Panel will decide who will sit on the Assessment Panel.

Can I ask for your nominations by 17th May please so that meeting/s can be booked in etc.

Many thanks.

David.
