Accordingly, the first Party shall be entitled to the remedies of injunction, specific performance or other equitable relief for any threatened or actual breach of the terms of this Agreement.

28. Waiver

28.1 A waiver of any right or remedy under this Agreement or by law is only effective if given in writing and shall not be deemed a waiver of any subsequent breach or default.

To initiate the mediation a Party must give notice in writing (**ADR notice**) to the other Party to the dispute requesting a mediation. A copy of the request should be sent to CEDR.

33.2 The commencement of a mediation will not prevent the parties commencing or continuing court proceedings.

1. Structure

- 1.1 This Project Schedule forms part of the Agreement.
- 1.2 The terms and conditions of the Agreement apply to this Project Schedule. Each Party agrees that it shall perform its obligations set out in this Project Schedule in accordance with the Agreement.

2. Description of Project

INSE "The project will provide a set of 8 workspace units, 2 training rooms and a site office. These will be arranged around a central covered area. The on-site advice and support to start-ups will enable them to trial some of their activities in the training rooms with a view to taking one of the small container based units. Existing small businesses will be supported in their efforts to improve their productivity and thereby expand initially into the larger container based workspace and eventually perhaps directly into the Workshed based workspace when built. These facilities will also be available to creative industries not intending to be tenants of the workspace, but would benefit from accessing the advice and support and meeting room at the Creative Industries Hub. The Hub itself will be regenerating a vacant part of the former cattle market and bringing much needed footfall and activity to the town centre. The business advice and support will be key in assisting individuals in the creative industries sector to set up or expand their businesses. The team will in conjunction with other partners provide excluded and marginalised individuals with the opportunity to enjoy an interaction with creative activities. The intention being to build their confidence and skills to improve their pathways to vocational training or bring them a step closer to the mainstream economy."
