# A Message from the Mayor

It was an honour and privilege to be elected Mayor of Liskeard. Previous Mayors have said the same, but we would not be able to fulfil the role without the support of our dedicated office staff and Town Clerk, and fellow councillors. We are one big team with the Mayor as captain.

I am only halfway through my mayoral year which has been incredibly busy. The Town Council has just agreed new Aims until 2021, following consultation at St Matthews fair, and will now draw up a plan to achieve them.

We recently agreed to financially support Young People Cornwall with their Liskeard Youth Work, enabling them to continue valuable work to support 11-19 year olds, providing an open access youth centre at the Liskerrett Centre. This offers a safe space for young people to meet, receive information, advice and guidance on a wide range of issues and access a range of positive activities designed to build their personal and social development.

The Liskeard draft Neighbourhood Development Plan has moved a step closer to becoming 'made' in law, with a Cornwall Council consultation just finishing. In the New Year there will be a referendum, and if accepted it will become a valuable planning document until 2030. It has been driven by community volunteers, supported by the Town Council, and we are indebted to them for their hard work.

Liskeard in Bloom has won several awards this year (more details on p6) and are now planning for next year. To kick-start funding, volunteers ran a charity shop for a week which raised

£437.50. Look out for another early next year.

I enjoyed welcoming people to the Mayor's Parlour and Council Chamber during Liskeard Unlocked in September, and thank all the local organisations who worked together to stage this wonderful free event.

These are just a few examples of the people and organisations in Liskeard working together to achieve great things.

The Lions are now busy rehearsing for their annual pantomime, and we all look forward to seeing it in January.

This year for the Mayor's charity I am supporting our primary schools, Hillfort and St Martin's, together with the Next Step Liskeard Stroke Club where my husband Terry and I volunteer.

I hope many of you will join me at the Mayor's Candlelit Carol Service at the Methodist Church on Sunday 17th December at 6pm, being broadcast live on Liskeard Radio.

Finally, Terry and I would like to send you all best wishes for Christmas and the New Year.

*- Councillor Christina Whitty,  
Mayor of Liskeard*

# Liskeard in Bloom

Liskeard in Bloom was launched in March, by the then Mayor of Liskeard, Councillor Jane Pascoe. Building on the success of the previous year's award-winning displays in Fore Street, the Mayor asked town centre businesses to make space for a hanging basket, window box or tub of flowers.

Managed by the Liskeard Town Forum, it now involves many organisations and volunteers.

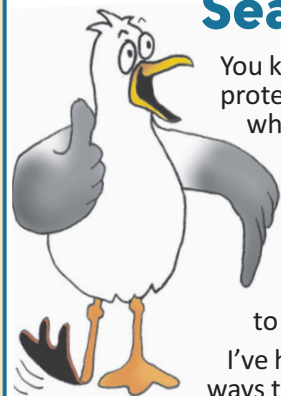

They have filled the town centre with flowers, enhancing the main highway through the town, welcoming visitors and delighting the eye. This has won awards, including a South West in Bloom Gold Award for Best Town Centre. At the South East Cornwall in Bloom Awards, Liskeard scooped four

awards for Best Market Town, Best Café, Best Retail and the Best Overall Winner.

Hundreds of hours of volunteer time have pulled off the unimaginable. The town looked amazing.

Plans for 2018 are already underway. To get involved, contact the Town Forum by emailing [info@liskeardforum.org.uk](mailto:info@liskeardforum.org.uk)

## Seagull Chat - ACT NOW!

You know me in the summer when, like any parent, I'm protective of my young. I have a bad rep for scavenging, but what gull would turn down discarded pizza!

With the loss of our natural habitat, I came to town. Litter, landfill sites, easy food, warmth, great nesting sites - we gulls were in heaven. Now we don't know how to leave!

We made our nests, and you helped us settle in, chucking out food and enticing us with bin bags that take seconds to unwrap!

I've heard we're a nuisance; your Town Council is looking for ways to make it easier to live with us. Householders should clear away old nests, before March when we roost. If you don't want us living with you next year, protect your roof with netting. Small-mesh please: lost a few friends trapped in dangerous stuff; squawked for days.

We're good parents. Try to give our young a wide berth. Wave a hand above your head, scares us silly, or a parasol in the garden will help keep us away.

We'll do our best to work with your Council, but if you don't want us snacking on your lawn, don't give us easy food - we can't resist.

## Meet Your New Councillors

### Councillor Tyler Bennetts

For the last 18 years, I have worked in people support. I've been a counsellor, drugs support worker and more recently a trainer, improving care standards for people who receive services. I volunteer weekly for vulnerable people and am passionate about ensuring people everywhere receive fair treatment and support. I've also supported vulnerable people in their applications for support at assessments and tribunals.

I was terrified and honoured to be elected Deputy Mayor and have really enjoyed meeting people all around the district and seeing the enormous amount of activities carried on locally.

I'm very interested in improving disabled access within the town as I believe one of the ways of improving the town's viability is by making it accessible to all.

I am also keen to see the town support young people, and sit on the Committee for the Youth Club. I am delighted with the great work already achieved.

I was very excited to be Father Christmas for the Liskeard Community Action Christmas party in 2016 and hope to reprise that role if my beard grows in time!

### Councillor Naomi Taylor

After growing up in Saltash, I moved to Liskeard in 2000, where I now live, work and have 2 sons at school.

I have always had an interest in politics and current affairs. I sit on the Communications and Engagement, Facilities and Planning committees, and put a high priority on what the town provides for younger people and families, as well as adequate affordable housing provision, balanced with employment prospects.

I am concerned about special needs provision and would like to make the town more autism friendly, knowing personally how hard it is to take children with sensory issues into a busy town centre.

I am incredibly proud of the town, and the exciting changes and developments ahead. I am a passionate supporter of investment in the town, while protecting its heritage.

Details of all our Councillors and contact information are available on the website ([www.liskeard.gov.uk](http://www.liskeard.gov.uk)) or from the Town Council office (3-5 West Street, Liskeard).
