Update since 12<sup>th</sup> September 2019

## Visitor Statistics

As you can see from the attached figures, September visitor numbers were about the same as in 2018 and October visitors have been slightly higher, profits for each month were about the same as last year. We have had a strong couple of months for ticket sales with Woolly Workshop tickets in particular being very popular, the total ticket sales since April are nearly at the same level as ticket sales for the whole of the previous financial year.

## New Member of Staff

We have appointed a new assistant TIC manager, Louisa Lawes. She started work at the beginning of October and is settling in nicely. Along with other members of staff Louisa and I have attended training in using evacuation chairs and also emergency lift procedure this month and Louisa is due to undertake First Aid training in December.

## Winter Closing

I have discussed winter closing dates with the Museum Coordinator and we have agreed to close the TIC and Museum on Friday 20<sup>th</sup> December and reopen on Monday 6<sup>th</sup> January in line with the school holidays.

## Visit Liskeard Website

As in previous years we have created pages on our website for special events such as Half Term, Fireworks and Christmas Craft Fairs, each of these has a link on the front page of the website so people can find them easily and we also promote them on social media.
