LISKEARD TOWN COUNCIL

December 2018

LISKEARD LANTERN PARADE

On behalf of the Management Committee I would like to thank you very much for your support for the event. Running such an event is very costly and therefore any financial contribution is most welcome. I trust that you consider it was a worthwhile call on Town Council funds. Assistance and support from Council personnel was appreciated.

Undoubtedly this was the best Parade we have had, which was evidenced by the size of the watching crowd and the number of schools and other organisations taking part. The variety and range of lanterns was very impressive as was the Firework display that brought the evening to a close. The street lighting was up to its usual high standard.

I have received considerable praise from members of the public and we managed to raise a considerable sum of money from the sale of badges before and during the event. This will enable us to start planning for the 2019 event with a bit less trepidation

Your assistance made it happen. Many thanks indeed

Yours sincerely,

John Lennon
