

On Sunday 15th October the Mayor, her consort and the Deputy Mayor attended a concert at Liskeard School in aid of Cots for Tots. It was organised by Stephanie Trendell to raise funds and awareness for the special care baby charity in Bristol. Stephanie's Grandson Hugo, an amazing little boy who was born at St Michael's Hospital, Bristol, was in attendance and was so well behaved.

The Westernairs gave a fine performance, with special thanks to Phil who did a fantastic job, and the lovely Looe Valley Ladies Choir who sang great songs.

A well supported and entertaining afternoon was had by all that attended. Particular thanks to Eve, who put the concert together to Ted for transporting equipment and Pat for doing the raffle.
