

General Notes

All dimensions to be checked on site. All details and dimensions relating to the sub-contractors or suppliers work must be checked and agreed between the subcontractors or supplier and the general contractor.

This drawing is to be read in conjunction with all relevant architect's and engineer's drawings and the specification.

Works to comply with current Codes of Practice, British Standards and Building Regulations.

-  Denotes New Tactile Paving
-  Denotes New Ramped Footpath
-  Denotes New Landings of Footpath
-  Denotes approximate existing level
-  Denotes proposed level

- Designers Risk Assessment:**
- Installation of heavy beams - Mechanical aids should be employed if required when installing beams.
 - Temporary Support - The contractor is to provide all necessary temporary propping to safely undertake the work and maintain structural stability, including sides of excavations for sub structure and retaining elements.
 - Asbestos - Any suspected Asbestos containing materials should be tested and removed by specialist contractors in accordance with HSE guidance.
