

## St Petroc's Society Fundraising Event

The Mayor's fundraising concert for the St Petroc's Society was held in the Public Hall on Friday 16th of March. Mayors and Deputy Mayors from all over the country and our local MP, Sheryll Murray, joined Liskeard Mayor Christina Whitty in entertaining the packed audience with songs, poems and stories.

This is the fourth year that this fundraising event has taken place and was compared by Mr Tony Rush former Mayor of Wadebridge. Also in attendance was the Chief Executive of the St Petroc's Society, Mr Steve Ellis. A big thank you went to Jackie Davis for organising the event.
