

Gorfenna Community – 4th August, 2018

On Saturday morning the Mayor and her husband, Terry, had the privilege to be invited to the Gorfenna Community Open Day. There was lots to do with many attractions, such as vintage tractors, pebble art, lots of animals, and of course, cakes and pasties.

A huge thank you to Rosemary Farley and her many helpers. Christina and Terry had an interesting chat with the Royal Voluntary Service about the “Bringing the library to you service” for people who can't get to the library any more. They had a lovely morning with so many nice people.
