

Litter pick at Liskeard

After a local resident contacted the Mayor about a litter problem a litter pick took place on the morning of Sunday 21st October.

Councillor Jane Pascoe arranged to borrow equipment from Biffa and the volunteers collected several bags of rubbish and a Morrisons trolley, which has been returned to them.

A big thank you to all the volunteers – Dave Haq, Penny Newman and Brian Oldham who helped Jane Pascoe and the Mayor, Christina Whitty.
