WORKING FOR YOU

Mayor's Charities 2019/20

The Mayor of Liskeard, Rachel Brooks, has written to her Mayor's charities for 2019/20, Get Together Cornwall and the Dreadnought Centre, to let them know that they will each receive £490.

Almost £1,000 was raised in total during the year through a combination of activities including raffles and donations at events and the sale of calendars and cards.

Rachel said, "I'm delighted that we have been able to raise so much for these great organisations which make a huge difference to autistic young people and families locally."
