

Fisher Division donation to Mayor's Charity, Hockey Presentation and BHF Swimathon

Recruits from Fisher division collected money for charities over the Christmas period and were generous enough to donate some of the money raised to the Mayor's charities. The fund raisers were recruits from fisher 18/22 class recruits Luke Freeman, James Ellis and Jack Kendall.

Fisher 18/22 passed out of phase one training on the 18th of January, the Mayor's husband Terry is a mentor in Fisher Division. The Mayor thanked all of the class for their generosity and wished them good luck in phase two training

On Saturday 19 January the Mayor, Christina Whitty, attended the presentation event held by the Liskeard branch of the British Heart Foundation where all participants of its recent Swimathon were given certificates and awards were made for special performances. The presentations were made by Christina and the President of the Liskeard Lions Club, Mr Garf Cole, who sponsored the event.

The Mayor received the trophy on behalf of Liskeard Town Council for the team raising the most money, and the Mayor and Councillor Julian Smith both received Supporter's Awards for individually raising over £100.

The whole event raised £4,254.60 of which £1,116.20 was distributed to other local charities

The Mayor also presented the awards at the hockey club presentation.
