

The Lions Pantomime and the Muffineer at HMS Raleigh

The Mayor her consort and the deputy Mayor attended Friday evening's performance of the Lions pantomime "Treasure island". The evening was well supported, pasties, cakes tea and coffee were served by the Liskeard Scout Group at the interval and a really enjoyable night was had by everyone.

The Mayor would like to thank everyone for supporting the Lions, especially the Lions president Garfield Cole and all his magnificent team.

The muffineer has been shown to over 300 Royal Navy phase one recruits and staff at HMS Raleigh. A big thank you to the Town Council for letting me have it to show the next generation of sailors a part of naval history.
