

National Autistic Society Run at Liskeard School and Community College

Monday 1st April saw over 120 runners taking part in a 3 mile run around Liskeard School and Community College to raise funds and awareness for the National Autistic Society

The Mayor Christina Whitty and consort were in attendance and the Mayor presented medals to all the runners. Each runner also received an Easter egg. A huge thanks has to go to Oli Jones and his team for organising the event. Oli is taking part in the London marathon later this month raising more funds for this worthy charity.
