377/19 MAYOR’S REMARKS – “As all the councillors know, Tyler Bennetts has had to resign from the council for health reasons. I’m very sad to see Tyler go and I’d like to publicly thank him for his contribution to the Town Council and to Liskeard. We’ll really miss his warmth and humour and common sense and we wish him all the best for the future. A card is going round for everyone to sign.

Since we last met we’ve had the remembrance events and I’d like to thank you for taking part in those.

Thanks too to our swimathon team of Christina, her grandchildren Cameron and Phoebe, Julian, David and Naomi’s son James. They did 40 lengths and raised £568 for the British Heart Foundation.

I know the Lights Up and Nadelik Lyskerrys events were very successful and lots of people enjoyed the Santa trains, family trail and party as well as the parade. It was a pleasure working with Lights Up and Golden Tree to deliver them. As ever, Mandy Hancock was an absolute star in organising things and sweet talking people into freebies. Thanks to all the councillors and their families who helped and a special thanks to Simon who filled in for me at short notice.

1. 110/19.

Town Council 17th December 2019
I and other councillors have been involved in other pre-Christmas events include appearing on Liskeard Radio, a lovely Christmas concert at the Echo Centre, the Eventide Christmas Fair, the St Petrocs carol service in Truro cathedral and, of course the Methodist and town council carol service last Sunday which was great. Several people told me afterwards how much they appreciated including the Cornish carol from Nadelik Lyskerrys.

I wish you all a happy Christmas and a peaceful and fulfilling new year.

378/19 TO RECEIVE AND ADOPT THE MINUTES OF THE 29TH OCTOBER 2019 COUNCIL MEETING: – The Mayor proposed, Councillor Taylor seconded, and the Council RESOLVED to ADOPT the minutes of the Council meeting held on 29th October 2019.

379/19 TO RECEIVE AND ADOPT THE MINUTES OF THE 7TH NOVEMBER 2019 SPECIAL COUNCIL (RIFLES) MEETING: – Councillor Cassidy proposed, Councillor Whitty seconded, and the Council RESOLVED to ADOPT the minutes of the Special Council meeting held on 7th November 2019.

380/19 TO RECEIVE AND ADOPT THE MINUTES OF THE 7TH NOVEMBER 2019 SPECIAL COUNCIL MEETING: – The Mayor proposed, Councillor Powell seconded, and the Council RESOLVED to ADOPT the minutes of the Council meeting held on 7th November 2019.

The Mayor reminded the meeting that there were three projects currently being progressed as part of the phase one regeneration of the former cattle market site.

1. The workspace centre being developed by Cornwall Council and the subject of a pre application consultation.
2. The Town Council container-based workspace and businesses support proposal referred to as the Cattle Market Makers Project.
3. The Events Area proposal – which was being proposed by the Town Council on a 3 year lease basis.

381/19 PUBLIC PARTICIPATION – This item was brought forward on the agenda. The circulated correspondence noted that as the events area proposal did not impact on the disabled and car parking spaces in the way some correspondents feared, it was possible that they had mistaken the site shown as market stalls on the pre application for the Cornwall Council workspace centre as being the same as the Town Council event area. The Town Clerk advised that he had been in receipt of one e-mail which he had not placed in the written report as he thought that an element of its content might be considered libellous. It was considered that item of correspondence should be considered in PARTII.

2. 111/19.
Councillor Hawken proposed, Councillor Cassidy seconded and the Council **RESOLVED** to go into PARTII.

**382/19 PART II - PUBLIC BODIES (ADMISSION TO MEETINGS) ACT 1960**
Pursuant to Section 1(2) of the Public Bodies (admission to meetings) Act 1960 and having regard to the confidential nature of the business to be discussed, the Press and Public be excluded from the meeting for the following item of Business:

An item of potentially libellous correspondence.

**383/19 PUBLIC BODIES (ADMISSION TO MEETINGS) ACT 1960**
Pursuant to Section 1(2) of the Public Bodies (admission to meetings) Act 1960 and having regard to the confidential nature of the business to be discussed, the Press and Public were readmitted to the meeting.

It was agreed that the Town Clerk would investigate the comment regarding bullying.

Lin Moore and John Hesketh asked questions related to the Cattle Market developments.

**384/19 TOWN CLERK’S UPDATE – ITEMS FROM THE 29TH OCTOBER 2019 COUNCIL AND 7TH NOVEMBER 2019 SPECIAL COUNCIL MEETINGS NOT ALREADY ON THE AGENDA**

**FREEDOM OF THE TOWN SCROLL** – Noted that a Liskeard Town scroll was being produced from the template provided by the Rifles.

**EVENTS AREA NNDR FEEDBACK** – It was noted that Falmouth Town Council, Launceston Town Council and Truro City Council all confirm that NNDR is not paid by them for the operation of events areas. Cornwall Council has confirmed that as landlord, they would cover the cost of any NNDR liability should there be any. This would be indicated in the lease.

It was considered that the NNDR situation now being clarified, the previous Council minute gave full approval (Minute 313/19 7th November 2019 “to approve the events licence, but on a 3 year lease with a break clause at the end of the first year; and subject to clarification that the Town Council will not be charged business rates on the area.”
385/19 CATTLE MARKET MAKERS PROJECT – COMMUNITY LEAD LOCAL DEVELOPMENT (CLLD) (Judith Hann Programme Manager – CLLD) – Judith Hann provided an update which included:

- Following our submission of the Expression of Interest funding had been ring fenced towards the project.
- The local Community Lead Local Development group considered applications on a monthly cycle.
- An application of the size proposed by the Council could take 3 – 4 months to assess. It was one of the largest applications to be received. It was the only application from a Town Council.
- There was an ability to make a cashflow loan at 0% rate of interest to assist projects (if the Town Council were to purchase rather than lease the containers this would be necessary.)
- There was a CLLD budget from which Cornwall Council could support the project (for example, should the project be more easily delivered as a 45% rate of grant an outright purchase and Town Council ownership rather than a 72% rate of grant on a lease of a Cornwall Council owned set of container units.)
- Other projects were known to being developed by various parties, whilst the Programme Manager thought that a more complete application and spreadsheets could be worked on when meetings had taken place with ISO spaces and Cornwall Council and submitted in January, later in the year applications timescales would start to get too short to deliver with the programme period.

In discussion it was noted,

- VAT advice would be needed in regard the various options.
- Would Corporation Tax be levied if the Town Council made a surplus?
- As some of the hours of the Town Clerk, Responsible Financial Officer and Accounts Clerk could be booked against the CLLD project this might help the Council in budget and precept setting. (although if the Council employed someone to backfill this would be cancelled out.)

Councillor Powell proposed, Councillor Cassidy seconded and the Council **RESOLVED** to express support for the submission of the bid and to ask for a special meeting late in January to fully consider it. The draft ‘narrative’ would be circulated to councillors for consideration. The spreadsheets would be worked up further following meetings with ISO spaces and Cornwall Council and the Programme Manager.
