

RNA 40th Anniversary Parade

Example idea of possible costings:

		Cost of similar 2025 event booking
Road closure submission to Cornwall Council		£64 (current CC fee)
Diverse Events	Creation of traffic management plan Placing of signage in advance of event Being in attendance on day	£1,444.11 Remembrance Day parade 2025 – route the same, although not going to St Martin’s Church Awaiting response from Diverse Events
Liskeard Silver Band		£150 Lights Up 2025
St John First Aid cover	Discounted rate by 20%	£219.65 Lights Up 2025 So, could be around £250, still awaiting response
		£1,877.76 going off amounts actually paid for 2025 events plus,
Marshalling	Staff costs	4 – 5 stewards for duration of parade In region of £20 per steward per hour, possibly £200
Probably total for event in the region of £2,100, although, may be slightly less due to parade only being 1 hour, not whole morning like Remembrance		
As soon as figures are received back from Diverse Event and St John Ambulance they will be updated.		
In Chat with RNA Chairman on 20 th April it was confirmed that the RNA would be covering the costs of the refreshments at the British Legion following the parade.
