Dear Programme Manager,

Liskeard Town Forum has received a number of presentations from RIO regarding the future use of the Liskeard library building on Barras Street Liskeard.

Liskeard Town Forum was supportive of the plans not only for some traditional library space, but also RIO's plans for training and business development within the building space.

Liskeard is a town that requires good locations to develop business opportunities, and RIO's plans would support the town's objectives to grow the number of employment opportunities, while also helping to tackle deprivation within the town boundary.

The Liskeard Town Forum is an open, non-political organisation within Liskeard, that allows residents to air and vote on ideas for the regeneration and development of the town.

I trust you will find our words of support, helpful in your considerations over RIO's application to CCLD?

Yours Sincerely,

David Ambler.
Chairman of Liskeard Town Forum.
