- Menheniot Parish Council – discussing the Planning Application from Wain Homes to modify their Section 106 obligations at Tencreek. The Parish Council felt this should not reduce any Affordable Homes element.
- Police and Crime Panel – Plymouth – he had heard the new Chief Constable for Devon and Cornwall speaking in support of releasing some of the Police officers from office-based positions and releasing them back frontline duties.
- Commonwealth War Graves – had a meeting with the person who is looking after the Commonwealth War Graves.

Cornwall Councillor Report Liskeard South and Dobwalls by Councillor Jane Pascoe - It was an honour to attend the remembrance service in Liskeard and later in Dobwalls. Despite the weather it was pleasing to see it so well attended, especially by the youth organisations.

Liskeard Winter Fair and Primestock Show was well attended in the Public Hall and the livestock and fodder accommodated at Calwetton Veterinary training centre in Merrymeet. The organisers thank the Town Council staff for their efficiency and kindness.

Cornwall Council has launched the CIL (Community Infrastructure Level) Fund for 2026.

EOI can be submitted from 16th January for 6 weeks. Applications up to £100,000 to fund infrastructure projects, which will connect communities. It can include improvements to existing facilities and must be age friendly ie Skate Park, Nature spaces. Evidence of young people leading a project.

The recent announcement that Cornwall Council is entering in to a Memorandum of Understanding (MOU) and associated information sharing agreement with Plymouth City Council, Devon County Council and Torbay Council represents an opportunity for Cornwall to align with a £4.4 billion regional investment in HMNB Devonport and associated defence over the next decade. This MOU is not about Constitution or Governance for Cornwall, it is solely for the purpose of working together with neighbouring partners for the Devonport National Defence Growth Area funding.

Devonport's expansion will require a workforce of over 7500 people including 5500 roles at Babcock. This demand offers a unique opportunity for SE Cornwall residents to access these jobs through housing, transport and skills interventions.

As the current Chair of the SE Cornwall Community Area Partnership I shall be working with others towards unlocking the potential benefits and investment for this area and initial meetings have been arranged with lead and senior officers as soon as the MOU is signed by all partners.

Highways Scheme. The scheme was launched with an end date of December. We requested for deadline to be extended until the end of February.

It is with regret that I was informed that main part the Cattle Market Car Park was to be closed off until end of January and I truly apologise to all the businesses affected and our visitors to the town centre. This is due to the construction of the Bus terminal and the completion of the ISB happening simultaneously in a restricted space. The Health and Safety of members of public in close proximity was causing grave concern.

The disabled parking bays remain and the Workshed spaces. We are asking residents to please continue to visit Liskeard, support our small businesses and use Westbourne, Sungirt or Rapsons Car Park. For Saturday there is parking available at Luxstowe House."
