The World Heritage Site had offered some materials for a display in the Wheal Phoenix Room. Information will be sought from the museum for an Emily Hobhouse display. An agenda item is to be included for the next meeting of this committee to agree a budget and arrangements for permanent new displays in each of the rooms within the complex.

Discussion took place about the commissioning of a promotional film, featuring the dalek, which could be used for future promotion of the Public Hall complex, parts of which could be filmed at the launch.
