

**6. SUPPORT SERVICES MANAGER'S REPORT - To receive an update about progress of resolutions from the last meeting of the Communications and Engagement Committee on 7 March 2017.**

Our registration to take part in the Battle's Over – A Nations Tribute on 11 November 2018 has been confirmed and our details appear in the official guide published. The next update will be available on 5 January 2018.

In December 2016, the Council resolved to support the Tour of Britain cycling race passing through Liskeard. Discussions with the organisers are now focused on this being held in 2020 with the whole stage held within Cornwall rather than a finish across the border as previously suggested. After internal Cornwall Council discussions and the commissioning of a feasibility report, the proposal is now with the Director for Economic Growth and Development. Should CC back bid development then submission would be required by January 2018, before which they will need to generate sponsorship.

**15. SIGNAGE**

**a. To note the current position**

**b. To establish a working party**

Background – see previous resolutions

7/3/2017 476/16 Councillor Brooks proposed, Councillor L Shrubsole seconded and the Committee **RESOLVED** that a 'Gateway to the World Heritage Site' sign should be added to the town sign on New Road subject to a cost of £200.

We are awaiting information from WHS to further this.

7/3/2017 477/16 Councillor Brooks proposed, Councillor Bennetts seconded and the Committee **RESOLVED** to **RECOMMEND** that an application be submitted for brown signs on the A38, via Nigel Blackler at Cornwall Council.

Not yet submitted

Discussion has also taken place about the replacement or refurbishment of the two town signs located on the A38 westbound slip road at Island Shop and on the A390 west bound at the Charter Way roundabout. Refurbishment appears not to be cost effective and further investigation is needed.
