h) Errors and Discrepancies in Tenders - Where examination of tenders reveals errors or discrepancies which would affect the tender figure in an otherwise successful tender, the tenderer is to be given details of such errors and discrepancies and afforded an opportunity of confirming or withdrawing their offer. If the tenderer withdraws, the next tenderer in competitive order is to be examined and dealt with in the same way. Any exception to this procedure may be authorised only by, or on behalf of, the Committee concerned after consideration of a report by the Town Clerk or authorised Officer

i) Any invitation to tender issued under this regulation shall be subject to Standing Orders 18<sup>4</sup> and shall refer to the terms of the Bribery Act 2010.

## 11.2. Contracts involving Councillors

A number of councillors have local businesses. Their expertise is valuable to the Town Council and it may sometimes be appropriate for the Town Council to pay for goods and services from these businesses. However, it is important to ensure that there is no perception that being a town councillor gives them a commercial advantage. Payments to businesses owned by town councillors or members of their household will therefore only be made in the following circumstances:

---

<sup>4</sup> Based on NALC's Model Standing Order 18d ©NALC 2018

- a) After at least 3 quotations have been obtained and the decision is taken by a committee or full council with the relevant councillor declaring an interest and absent from the discussion.
- b) In the case of repeated purchase of small items after the business has been approved as a supplier by a committee or full council with the relevant councillor declaring an interest and absent from the discussion. Subject to an annual limit of £500 and a single item job limit of £100.
- c) In exceptional circumstances by a decision of the Mayor and Town Clerk which is reported back to the next Full Council meeting.
