

LISKEARD TOWN COUNCIL

GRANT AWARDING POLICY, CONTEXT AND APPLICATION FORM

Our Vision for Liskeard:

A thriving and inclusive community which serves as the commercial and cultural hub of South East Cornwall.

Our Values:

- Build a strong local community which is proactive, involved, resilient, cohesive and proud of where we live.
 - Support the growth of good quality local jobs and businesses, strengthen the local food and farming sector and attract new investment.
 - Deliver the development priorities which the community has set out in the neighbourhood plan.
 - Improve social and leisure facilities in Liskeard.
 - Protect and enhance the culture and heritage of the town.
 - Facilitate the development of transport and technology infrastructure to meet our current and future needs.
 - Promote and market Liskeard as the commercial and cultural centre for South East Cornwall.
 - Develop and promote the Council's assets for the benefit of the community
- In support of these aims we will also:
- Sustain Liskeard Town Council as an effective and financially sound organisation which is in touch with the needs and wishes of local people.
 - Take pride in our Civic duties.

Aim: Liskeard Town Council allocates a grants budget annually to assist other organisations within the town to achieve projects which might include physical works, services, exhibitions, and events of benefit to the town and its residents.

Eligibility Criteria

- Applications can only be considered if they can demonstrate that the grant aid will be of benefit to the community of Liskeard.
- Grants will only be given to non-profit making organisations. Income to cover necessary costs to carry out the project should not normally be considered as profit.
- An individual may not receive a grant, although a club, cadet force, association, or School (only for items that are not part of the statutory curriculum) can apply.
- A single business cannot receive a grant, although a Trade Association, Traders Association (including a project delivery Ltd. company) or Chamber of Commerce might put forward an eligible project.
- Applications are welcomed from community groups, social enterprises, trusts, Community Interest Companies (CIC), companies Ltd. by guarantee with charitable and / or beneficial aims and objectives and charities.
- Should the project be appropriate the Town Council would encourage applicants to seek the support of other grant bodies including from those outside of the town. This will help to draw down the maximum amount of external investment into the town.
- Should the grant fund the purchase of an asset or service, which could be used by other community groups when not required, the applicant is encouraged to share the benefit.
- Where more than one organization or group appear to be offering the same service, products or event already, the Town Council would encourage those groups to consider working together for the benefit of Liskeard before submitting applications for new projects.
- The Town Council may not lawfully give grant aid to a church for works to a church building. However, the funding of otherwise eligible items such as, equipment or events might be considered for grant support.
- A project of the Town Forum might be considered, if eligible.

- Any unspent element of the grant should be repaid to the Town Council.
- Should a grant be awarded the Town Council requires as a condition of approval that the support of the Town Council and the town council logo is acknowledged in all relevant press releases, social media posts etc. and that the recipients of grants give report back to the Town Council on the use of the monies awarded. This could include presenting information at the public annual meeting.
