

Seven reasons why the NEC MultiPresenter is a breath of fresh air for your meeting room!

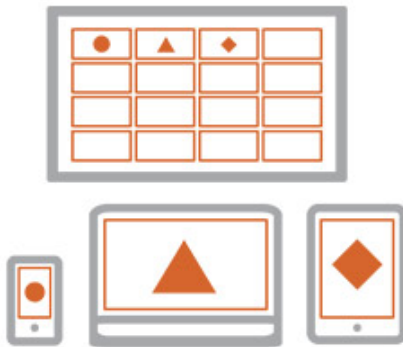

1. Ease-of-Use

Simply use the wireless auto connect + PIN to mirror your Full-HD content to large format displays and projectors.

2. Improve your Productivity & Teamwork

Empower meeting participants by connecting several mobile devices. All wirelessly connected devices can share content while switching presenter on-the-fly.

3. Command Attention

Stand out from the crowd and draw attention by broadcasting your presentation to 4 MultiPresenter linked displays and projectors.

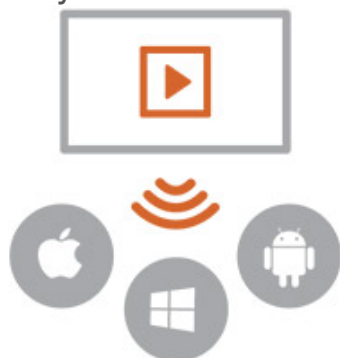

4. Share with your Audience

Follow presentations on your own device using web- and file-sharing while creating individual notes.

5. Bring Your Own Device (BYOD)

Connect your own device supporting Win, MAC, Android and iOS operating systems.

6. Serve your Guests with Wireless Presenting

Use wireless plug & play USB token without installing software on presenting devices.

7. Protect your Investment

The MultiPresenter stick allows to add wireless presentation to your installed NEC projectors and large format displays.
