How are you funded?	Local business sponsorship Profit last year (from bar, stalls, donations)ploughed back in Previous years Council, Town Forum, Grants etc.
What benefits will your project give to the town, visibly or in the Community? Who in the Town will benefit?	<p>LPF has two sites with the morning(10 - 1) offering a food market in the town centre/Barras Street with local produce and crafts. There will be entertainment provided here too - this year Swamp Circus (who are also teaching circus skills in Liskeard Community College) will be stilt walking in town! Also a ukulele workshop is planned, with a small performance later in the Park.</p> <p>In Westbourne Park from 12 - 7pm, LPF also offers the entire community access to high quality entertainment FREE AT POINT OF ENTRY. This includes workshops, musicians, food stalls and animals for children to handle. It is a family event and benefits everybody. Many marginalised residents of Liskeard attend - and for one day at least, "belong/are part of" the community!</p> <p>The event utilises an underused park belonging to the town - giving children a safe space to explore. It also allows young local artists to perform on a stage through a PA to an appreciative, supportive and large audience.</p>

<p>A brief description of your project</p>	<p>As described above, this is a quality event (not a garden fete) for everybody in Liskeard and the surrounding communities - something for all ages. It gives folk who wouldn't normally go to a festival because of the cost (Looe £99) a chance to enjoy a great afternoon in their town in a festival atmosphere for free.</p> <p>We try to keep the bands and acoustic stage musicians from within the County and support those who play original from music where possible.</p>
<p>Have you previously received a grant from Liskeard Town Council? If 'Yes' please indicate</p>	<p>YES / (a) 2014 - £300, (b) 2015 - £300 (c) 2016 - £300 (d) 2017 - £300</p>
<p>What is the total cost of your Project? What sum of money are you looking for from the Town Council and what exactly will it be used to support? How is the difference to be funded?</p>	<p>Total cost: £358.52</p> <p>The Committee had already decided this year to provide recyclable plastic tumblers - and this seemed fortuitously to fit in with the new "Plastic Free Liskeard" initiative just launched.</p> <p>To this end, we would welcome the total cost - or £300 as in previous years and maybe the Town Forum could provide the remainder.</p>
