I (insert name) commit(venue name) as a Bins for Boys venue.

We will

1. Provide a serviced sanitary waste bin **for men** in a customer toilet.
2. Promote the use of our men's sanitary bin through the use of Lingen Davies' Bins for Boys stickers on the toilet door, cubicle and venue entrance.
3. Ensure that our staff are aware of the Bins for Boys initiative in order that they can help customers with their requirements.
4. Promote our participation in the Bins for Boys campaign on our venue's social media platforms and tag Lingen Davies where appropriate.
5. Keep Lingen Davies updated of any changes relevant to our venue's participation in the Bins for Boys campaign.
6. Give Lingen Davies permission to promote our participation via their website and social media. We understand our venue will be promoted through the Bins for Boys webpage, which will feature their wider Bins for Boys campaign.
