Update since 29th October 2018

## Visitor Numbers

As you can see from the attached figures, visitor numbers for November and December were down on 2017. Visitor spend was also down considerably compared to the same time last year, however, it is at a similar level to what it was back in 2016.

## Giving and Living Show

I would like to get cover for the TIC on Wednesday 16<sup>th</sup> January so that Tina and I can attend the Giving and Living Gift Trade Show in Exeter. It is a few years now since we last went and it would be useful to get some inspiration for new stock for the shop. Tickets for the show are free.

## Winter Jobs

Now that the TIC is so quiet we have been focussing on jobs that we don't get a chance to focus on during the rest of the year. In particular we have been looking at the Your Liskeard section of the website. We are identifying and rectifying broken links and removing pages for businesses that are no longer operating. In the New Year I will be archiving this year's committee minutes on the Town Council site and looking at ways of improving the Visit Liskeard site.
