Update since 13th January 2026

Visitor Statistics

Please find attached the latest visitor statistics for your reference. Visitor numbers during January and February were slightly lower than during the same period last year. However, despite the reduction in visitor numbers, overall profits across the two months remained broadly in line with those recorded in 2025.

Ticket sales performed well during this period. The Menheniot pantomime proved popular as always, and the concert by the Plymouth Symphony Orchestra also attracted strong interest, selling out completely approximately one month before the event took place. These events contributed positively to both visitor engagement and turnover during the quieter winter months.

Website

As in previous years, we created a dedicated page on the website to promote local half-term events and activities for families. This page helps provide a central source of information for residents and visitors looking for things to do during the school holidays.

Work will shortly begin on creating a similar page to promote family-friendly activities taking place in the town over the Easter holidays

Training

Claire and I both attended fire safety training last month to ensure we remain up to date with current procedures and responsibilities. We also completed a refresher course for First Aid at Work to maintain our certification and ensure that we can respond appropriately in the event of an emergency.

Other Jobs

In addition to the usual duties, I have carried out several updates to the Town Council website. This has included archiving the 2025 committee pages, updating and reorganising the drop-down navigation menus, and creating new pages relating to the Guildhall, Castle Park, and the Skate Park Project.

I have also created and scheduled a series of social media posts to promote the upcoming Liskeard Community Fair. Claire has completed an update of the Your Liskeard online calendar, ensuring that listings for local clubs and societies in the town are current and accurate.

Upcoming Office Closures

The office will be closed on Wednesday 1st April while we carry out our annual stock take.

The office will also be closed over the Easter bank holiday period on Good Friday and Easter Monday. However, we will be open as usual on Easter Saturday.
