26 June 2025

Mr John Hesketh
Liskeard in Bloom
Lambest Cottage
Menheniot
Cornwall
PL14 3RE

Dear John,

The Town Council understands that Liskeard in Bloom is interested in purchasing the older of the two electrically powered water bowzers that belong to the Town Council. The older bowser was last inspected by a member of the Town Council's Facilities Team on 13 March 2025 and was found to no longer be in safe or serviceable condition, specifically:

- Defective brakes
- Damaged wheel bearings
- Battery connections loose and unsafely taped to the battery
- Battery is corroded
- Metal frame showing signs of corrosion

For these reasons, the Town Council deems the old water bowser to be unsafe to be beyond economic repair.

The Town Council's Facilities Committee resolved at the meeting held on 17 June 2025 to transfer the old water bowser to Liskeard in Bloom at nil cost on the clear understanding that it is suitable only for spares or repairs.

Please also be aware that the Town Council no longer insures the old bowser.

Can you please sign and date both copies of this letter and return one copy to the Town Clerk at the address given above.

Yours sincerely.

Jacqui Orange
Facilities Manager
cc. Steve Vinson, Town Clerk
