<b>1</b>	Rachel welcomed everyone to the meeting and thanked them for their hard work in pulling off another excellent event.
<b>2</b>	<p><b>Introduction and Information From the Feedback Forms</b></p> <p>Mandy gave a round up of the feedback forms which showed that visitors to the event had travelled from as far as Penzance and Manchester.</p> <p>The visitors had heard about it from a variety of ways, word of mouth being the most popular followed by the Cornish Times, radio, Social Media and the leaflet. One person had stated the poster at St Germans Railway Station.</p> <p>The sheets showed over 1000 guests at the properties who left a variety of comments, they were appreciative of the time volunteers had given. Comments also reflected how nice it was seeing places not normally open and also that the exhibitions were interesting and informative. It was kindly acknowledged that some of the properties were private homes which had put on displays specially for the event.</p> <p>Rachel gave Mandy some beautiful flowers in appreciation of her work on the event. They were gratefully received.</p>

5	<p><b>Possibilities for Next Year</b></p> <p>The dates were considered and possible clashes would be avoided.</p>	

	<p>Mandy checked out the date of the Looe Live festival and our Liskeard Unlocked dates for 2020 will be 11<sup>th</sup> – 13<sup>th</sup> September so that they don't clash with Looe Live later in the month. The theme will be Hidden Nature. Brian advised that it will be the 100<sup>th</sup> anniversary of the Old Cornwall Society Federation and an event could be planned incorporating this.</p> <p>Rachel received details of another venture from HOD. This was Dance in the Landscapes, she gave details of the brief and Expressions of Interest needed to be submitted by 28<sup>th</sup> October. It was decided that an Expression of Interest should be submitted and that this should be done in conjunction with Lois Taylor, given her strong background in local dance projects.</p>	MH
