Dear Sir/Madam

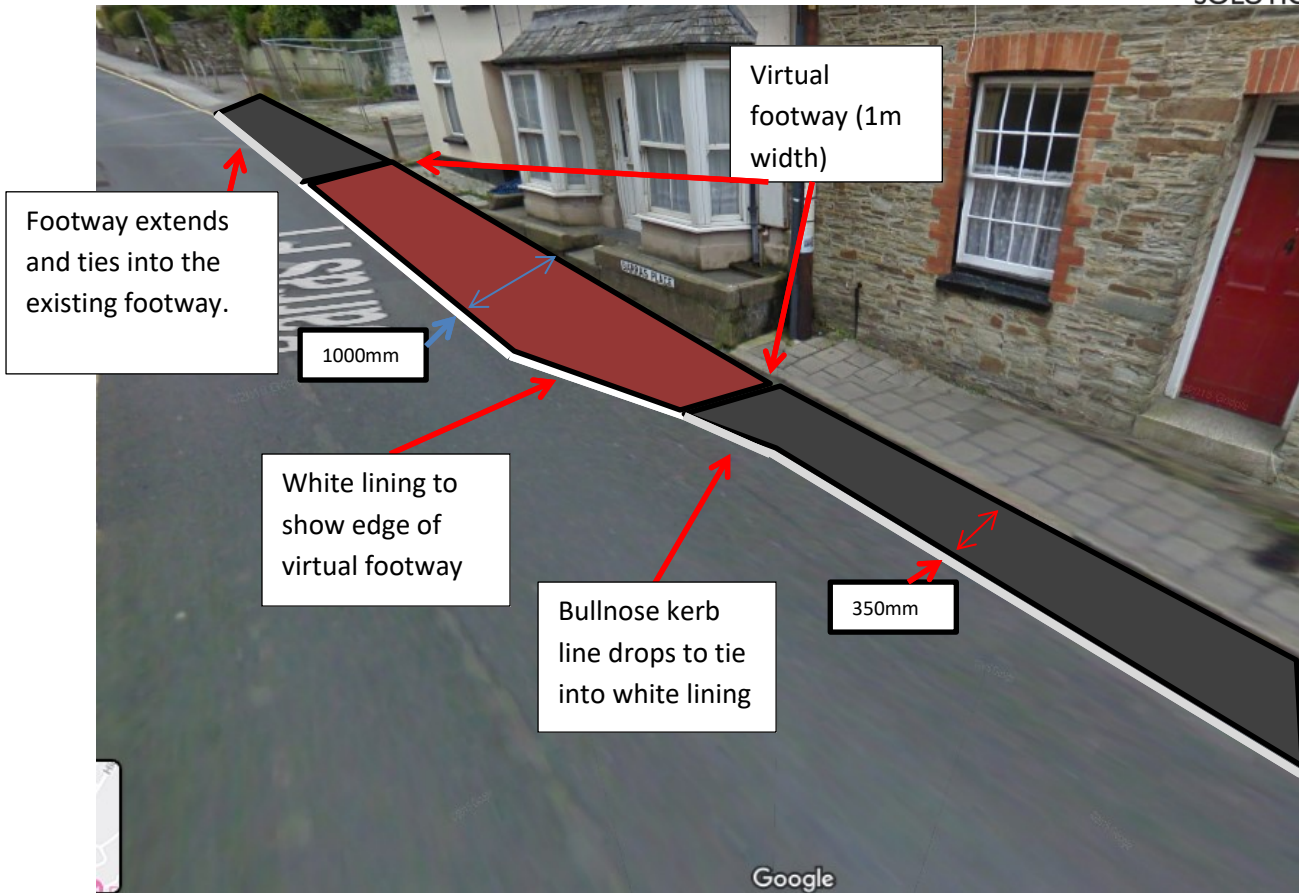

Cormac Solutions has been instructed by Cornwall Council to extend and widen the footpath along Barras Place, Liskeard. Below you will see the plan and an annotated photo of what we propose to construct. We would like to have your input on what you think of our proposed construction. We don't currently have a date for construction as this scheme is still in the design phase of works.

If you have any questions or queries, please contact me by email on:
