

Q1 There are a number of issues around Bay Tree Hill where pavements are narrow and queues are already making people step into the road. This limits options for queuing or for outside cafe tables. We are already arranging for signs which ask drivers to be careful of pedestrians. Some other options would take longer to put in place. Would you support:(you can select multiple options)

Q3 There are different views about on-street parking. Some people would like to stop enforcement on Bay Tree Hill and Market Street at the moment, as happened earlier in the pandemic, to make it easier for people to visit shops quickly. Others feel that lots of on-street parking makes it harder to cope with the narrow pavements and that, without enforcement, spaces will be filled up by people parking all day.
