Yvette Hayward, RFO and Deputy Town Clerk, Jacqui Orange, Facilities Manager and Mandy Hancock, Administration Assistant from Liskeard Town Council

Apologies: Councillors Naomi Taylor, David Ambler and Julian Smith. Liskeard in Bloom, Liskeard Breathers and Hillfort School

Jubilee Celebrations -Thursday 2nd June – Sunday 5th June, 2022

1	<p>Welcome</p> <p>Councillor Cassidy welcomed everyone and went through the official programme of events for 2nd June.</p>
2	<p>Events, Suggestions and Help</p> <p>Councillor Craker gave an outline of Liskeard In Bloom and Hillfort School's plans which had been submitted prior to the meeting. Any advice received from the Heritage Officer about decorating the grade II listed fountain will be shared with Wildanet at Westbourne House. He also suggested it may be possible to make bulk orders for items such as bunting if they were required by several groups.</p> <p>Liskeard Breathers – are releasing a film on Thursday 2nd at 11am at the Liskerrett Centre about their Schools Programme which has supported over 30,000 young people with information about the effects smoking has on the body. It will be followed by a lunch.</p> <p>The Town Council is purchasing an Augmented Reality Jubilee Trail whereby 7 locations will display QR codes which will tell the story of the Queen's reign. Volunteer locations were requested and the Museum, Guildhall, Stuart House, the Cornish Pudding Company, Methodist Church, St Martin's Church, Westbourne House and Platform 3 at Liskeard Railway Station were all suggested. The town Clock will also be lit purple.</p> <p>Bowls Club – have lots of special events planned for their Members over the Jubilee period which the Mayor may visit. Bunting would be appreciated.</p> <p>Lions Club – have a meeting next Thursday (10th) when they will discuss the possibility of combining the Carnival with the event and its route. They will</p>

confirm to the Silver Band the outcome of their meeting as the Band were keen to support them. They have a catering van and would be willing to support other events with it, they will try to help any organisation that gets in touch.

Liskeard Silver Band – offered to play the bugle at St Martin's Church with the Army Cadets bugler. Mandy will pass on contact details so they can liaise together. The Band are happy to support events in the town, just let them know.

Museum – The Visitors Book signed by the Queen on her visit to the town in the 1950s will be on display along with photos tracking her route around town.

Stuart House and The Old Cornwall Society – from 30th May there will be a pop up exhibition on all royalty for a week.

Churches Together – planning a Civic Service within covid guidelines on Thursday evening at the Methodist Church. Rev Andy Day will check if the Methodist Church would be available for any planned street party should weather be bad.

Catholic Church – will be open Saturday for refreshments.

Royal British Legion – wish to support the Jubilee and Carnival and will work with the Lions. They have some plans, but may need to re-think the day they are held. Mandy will pass on the Lions contact details to the RBL. It may be that The Rifles can bring a vehicle to the Jubilee event or Carnival. There are large events this year for the Legion – the Jubilee, Freedom of the Town and the 40th Anniversary of the Falklands conflict as well as marking Armed Forces Day (25th June) with a parade and wreath laying.

3 Bags Full – are creating decorative panels to display at the Post Office, garlands around trees as well as sleeves for lamp posts. Decorating balconies at Westbourne House and the Constitutional Club, as well as flag holders and the light strings in Fore Street will be investigated.

Culverland Park Residents – are planning a clean-up event on the Saturday and a street party on the Sunday.

Traders Association – possibly holding a Tea Party in Fore Street and decorating the street with Union Jacks and purple flowers. The Jubilee official colour is purple, but people can use what they want. Lin will ask the Traders who is planning on opening over the bank holiday period at their next meeting and look at the bags of bunting currently in storage.

Scouts – came along for inspiration and will talk to the group leaders. The group will attend any parades.

Could the **Produce Market** which is scheduled for 11th June be held the week before? On the Friday or Saturday and include other businesses from around the town? Mandy will ask the Liskerrett Centre who organise the Market.

	<p>Lin Moore will contact her nephew regarding the possibility of a display of his memorabilia from the 2 world wars. Armed Forces Day may be a good opportunity for this.</p> <p>Using the Christmas tree holders on shops to hold the flags.</p> <p>An art or craft competition. The Cattle Market Makers Project Manager can liaise with 3 Bags Full to take this forward.</p> <p>Councillor Pascoe will speak to the Liskeard Show and Young Farmers Club. John Gliddon also offered to liaise with them to see if they have any plans.</p> <p>Funding opportunities from the National Lottery, Arts Council, Cornwall Community Foundation and EE Communities were mentioned which groups can research. Councillor Craker also advised that the Town Council had a small budget and were funding the AR Trail. Cornwall Councillors could also make grants from their Community Chest funds.</p> <p>The Town Council has offered the use of facilities at the Public Hall for groups to hold meetings to co-ordinate their Jubilee celebrations in a covid safe way.</p>
3	<p>Next Meeting</p> <p>Councillors Cassidy and Craker thanked everyone for coming and for pulling together. Another meeting will be held on Thursday 17th February at 7.30pm when events can be firmed up and scheduled.</p>
