17 November 2017

Dear Sir/Madam,

A38 Island Shop westbound exit slip road resurfacing 29 & 30 November 2017

Highways England operates, maintains and improves England's motorways and major A roads. I am writing to let you know that we will shortly be carrying out roadworks near to you. A map detailing the location is included within this letter.

The works

Routine inspection has revealed the road surface in this area is beginning to deteriorate. In order to keep the road safe for the motorists we will resurface the westbound exit slip. By carrying out this work now, we will avoid the need for disruptive unplanned closures in the future.

When

Date: 29 and 30 November 2017, 2 nights

Hours of work: Overnight 8.00pm to 6am

Traffic Management and Diversion

In order to carry out this work safely and efficiently we will close the Island Shop westbound exit slip overnight. Motorists will be directed to continue along the A38 to Twelvewoods roundabout, re join the A38 eastbound and exit at Island Shop off slip eastbound.

Please note that whilst we always aim to work to the programme, **unforeseen circumstances may mean slight changes to it**. We will always aim to notify you of any major changes within the programme but please monitor www.trafficengland.com to keep up to date.

We would like to apologise in advance for any inconvenience these works may cause. We will make every effort to ensure the impact on the local community and travelling public is kept to an absolute minimum.

If you have any queries or comments about the work, or would like further information please contact Highways England Customer Contact Centre on **0300 123 5000** or by email: **info@highwaysengland.co.uk**

Yours faithfully,

Andrea McAllister
Stakeholder Manager
