

Annual Town Meeting Thursday 19th April 2018

There was an amazing attendance at this year's Annual Town Meeting in the Public Hall last Thursday where there were presentations from the Youth Parliament, recipients of support from the Town Council, the Liskeard School and Community College Debating Team Get Together (Wild and Active), reports from the Chairman and the Philip Blamey Trust, Eva Bowles Memorial Fund, King George V/Thorn Park Trust and the Alex Page Trust.

There was also a very informative parishioners' participation open forum where lots of the public shared information and useful contacts.

The final part of the evening was the presentation of the Community Champion Awards. This was the first time that these have been presented to people who were nominated because they quietly make a difference to making Liskeard a great place to live. Now is the time to start taking notice of who you might like to nominate for next year's Awards.

Refreshments were served following the meeting when everyone had the chance to chat informally over tea and cake.

Among the Community Champion Award recipients were:

Neil Tucker, Roger Terry, John Gliddon and the team who help with the road closures at events, Danny Smith on behalf of the Liskeard Firefighters, Rob Arnold, Phil Chapman, Tony Piper, Jenny Foster, John Ede, Lin Moore, Lisa Ince on behalf of 1st Liskeard Scouts, Margaret Hawken, Jackie Jenkins, David Brown, the Real Junk Food Project, David Allen, Leah Browning and Community Treasure Chest.
