

Beating The Bounds 2019

The annual Beating the Bounds walk took place in the lovely sunshine on Sunday 19th May. 12 walkers met at the boundary stone by Morrisons where Councillor Christina Whitty, the Mayor, was bumped on the boundary stone before the walking the boundary of the Liskeard Parish. There were 2 people from Menheniot Parish and the local Walkers Are Welcome and Old Cornwall Society groups. 6 people did the whole route which is around 12 miles.

Lunch was eaten at the beautiful setting of Treworrey Manor. Although the route covers some inaccessible areas, the section from Rosecraddock to Treworrey Manor is suitable for wheelchairs. People were welcome to join in along the route or finish where they wanted to. As the route takes in private land it's a great opportunity to walk where usually you can't.
