**41 / 25      EVENTS**

**a) Community Fair (Saturday 5 April 2025) - to note the feedback from the event**

The feedback was only from the stall holders, and it was requested that next year feedback is collected from visitors as well, including numbers attending, age groups and what they would like to see to make the fair better.

It was suggested that it was planned to hold the event in Castle Park in 2027, with the hire of a large marquee and possibly toilets, possibly during the Easter holidays. Consideration would need to be given to unloading and parking.

It was requested 'Diary Dates for Council Events' become a standing item on the Full Council agenda to ensure these are easily available and improve Councillor participation in events.

**b) Liskeard Show (Saturday 12 July 2025) – to consider activities on the stand and complete the rota**

It was agreed to take the information boards from the Community Fair but focus on raising awareness and engaging the public in informal consultation on the Roundbury project. It was important to notify the stakeholders and provide briefing sheets for Councillors so everyone can answer questions, but also guidance on what aspects of the project are confidential. Public information sheets would also be available. Councillor Taylor volunteered to lead a group working on the engagement and briefing/information sheets.

For transportation it was agreed to investigate options to either hire a van or engage a local company to do this.

**c) Liskeard Unlocked (12 – 21 September 2025) – to receive the notes of the 9 April and 19 May 2025 planning meetings**

Planning is progressing well. The theme is architecture, and they are looking to engage existing enthusiasts and those who may not think they are interested in it, with a sensory trail and cartoon mural. Liskerrett will be running workshops over the summer with outputs to be displayed at the museum and the former Cheery Buys. Cafes will be taking part in a 'Taste of the past' with dishes on the menu from the time their buildings were constructed. Brian Oldham will be providing them with posters on the history of their buildings. The leaflets will be ready for Liskeard Show.

**d) Nadelik Lyskerrys (29 November 2025) – (i). to receive the notes of the 25 March, 6 May and 3 June planning meetings, (ii). to consider options to source outdoor PA equipment**

An option to purchase equipment was not included at this point as there was still not a firm idea of exactly what was needed, and further trials and testing were needed. Furthermore, there was

10/25

no storage for a stage, and it was noted that technological equipment can date quickly. The lack of reliable audio also created safety issues of not being able to get important announcements out to the crowd.

St Martin's Church carols in the park and Ploughman's festival organisers would be contacted for advice on sourcing equipment. Councillor Adams would also follow up an offer to support equipment for another event.

Councillor Cassidy proposed, Councillor Craker seconded, and the Committee **RESOLVED** to proceed with option B (Complete hire of stage including all lighting, sound equipment and technician/s) at a maximum cost of £5,100 plus VAT subject to delegated authority to the Chair and Vice Chair to confirm there is sufficient budget available.

**e) Community Fair – to confirm the date (proposed Saturday 21 March 2026)**

Councillor Cassidy proposed, Councillor Braithwaite seconded, and the Committee **RESOLVED** to hold the Community Fair on Saturday 21 March 2026

**a) To review arrangements for Christmas 2025**

Councillor Braithwaite had organised the Christmas tree for 2025 and was thanked for everything he has done on this. It was agreed to consider adding to the budget for the Town Council to take responsibility for the Christmas tree in 2026 as part of the new Christmas lights contract.

The report was noted including the operation of unmetered power supplies and working towards 24/7 illumination.

**b) To consider the provision of further new unmetered power supplies**

Councillor Cassidy proposed, Councillor Brooks seconded, and the Committee **RESOLVED** to approve the provision of additional unmetered power supplies up to a maximum budget of £5,000.

**43 / 25      ACTIVE TRAVEL**

**a) To note the date of the next Active Travel working group meeting on 25 June 2025 at 2pm**

Following communication with the Cornwall Council Transport Officer the meeting was now scheduled for Wednesday 9 July 2025 at 2pm via Teams. All Councillors were welcome to attend.

**b) To consider the provision of cycle stands in Castle Park**

It was noted that it was possible to lock a cycle to the metal fencing at the park, and the item was deferred for more evidence of need.

**44 / 25 TOWN VISION STEERING GROUP - To consider the next steps**

It was noted that key projects from the document had been identified and were being progressed as opportunities and funding became available. It was agreed that a wider public group was needed to oversee the vision.

**45 / 25 TWINNING - To receive a verbal update on plans with Quimperlé and Kopychyntsi**

A group would be visiting Quimperlé in September to celebrate the 50<sup>th</sup> anniversary of the twinning and take part in the European Heritage Days celebration there.

It was hoped there would be a return visit from a party from Quimperlé with an event to celebrate the 50<sup>th</sup> anniversary here, possibly to coincide with another town event such as St Matthews Fair or Remembrance Day.

It was hoped to invite the Mayor of Kopychyntsi to visit the town towards the end of the year, possibly to link with the Nadelik Lyskerrys celebrations.

Councillor Cassidy proposed a twinning themed float for the Lions carnival on Saturday 19 July and asked Councillors to contact him with their ideas over the next week.

None

**47 / 25 DATE OF THE NEXT MEETING**
