

Making the most of short and precious lives...

children's hospice
SOUTH WEST

Celebrating
30
years

Children's Hospice South West (CHSW) exists to make the most of the lives of children and young people with life-limiting conditions, which mean they are likely to die in childhood. Our belief is that the best way to do this is to wrap our care around families who have received this devastating diagnosis.

Around £11 million per year needs to be raised from voluntary donations to ensure that we are able to continue to care and support over 500 families, who see CHSW as a lifeline. From the point of diagnosis through to bereavement and beyond.

Our three hospices offer children with life-limiting conditions and their families:

- ☺ Respite and short breaks
- ☺ Palliative care
- ☺ Emergency care
- ☺ End of life care
- ☺ Bereavement care
- ☺ Sibling support
- ☺ 24 hour telephone helpline
- ☺ Ongoing support
