

**My ref:** Infra22-236  
**Date:** 6 March 2023

Dear Sir or Madam

## St Cleer Road – Liskeard

As part of the planning consent granted by Cornwall Council, for the development of land at Addington, Liskeard, the developer has entered into a Section 278 Agreement with the Council to make alterations and improvements to the public highway.

Cormac Solutions Ltd, on behalf of Cornwall Council, is therefore inviting comments on those changes. These include the introduction of Traffic Regulation Orders, the effects of which are:

- To introduce a prohibition of motor vehicles restriction which will prevent all motor vehicles from proceeding into the unclassified road between Tregay Lane and the B3254 (St Cleer Road). As a result, this section of road will become a dedicated facility for pedestrians and cyclists. Access for motorised traffic to the B3254 will be maintained via Granite Way.
- To introduce a prohibition of motor vehicles restriction at the planned new junction between the unclassified road leading to/from Trebraze and Clover Drive. This will prevent all motor vehicles from turning into the remaining section of unclassified road leading to Elizabeth Cottage at that location, except for access to that property. To support this change, traffic priorities at this proposed junction will also be altered.
- To ratify the existing double yellow line restriction on St Cleer Road, from its junction with Culverland Road to the burial ground, by removing the current timeplates to make the restriction No waiting at any time.

COUNCIL COMPANY

In addition, traffic calming measures are proposed on St Cleer Road. These include speed cushions, rumble strips, localised road narrowing, a raised table junction and asymmetrical build outs (with priority give way layouts).

The main purpose of all of these measures is to reduce vehicle speeds and improve pedestrian and cycling safety along the lengths of road affected. Please see drawing Infra22-236\_CSL\_GEN\_DE\_D\_001 for further information.

If you have any comments to make on the proposals, I would be grateful to receive them no later than:

**30<sup>th</sup> March 2023**

To respond to this consultation, you can either:

1. Use Cornwall Council's Consultation finder, an on-line facility for viewing and responding to traffic consultations. This can be accessed by visiting [www.cornwall.gov.uk/TrafficConsult](http://www.cornwall.gov.uk/TrafficConsult). Once registered you will be able to submit responses to this and other current traffic consultations.
2. E-mail Infrastructure Design at [traffic@cormacltd.co.uk](mailto:traffic@cormacltd.co.uk), quoting the scheme name and reference, and indicating your support or objection to the proposals.
3. Respond in writing using the attached Consultation Response Form, indicating your support or objection to the proposals. Please return the form to the address shown at the foot of it.

If you wish to discuss any aspect of this scheme, please do not hesitate to contact me.

Yours faithfully

## Privacy Information

CORMAC Solutions Ltd collects personal information from you when you register a consultation response. We will use this information to assist in collating feedback and to respond to you if we require clarification or further information on the response you have provided. The secure management of your information is very important to us and work has been undertaken to ensure that the Company is GDPR compliant.

Please note that any personal information collected from you as part of the consultation process will be securely destroyed within 12 weeks of completion of the scheme. However, you have the right to request that your information is removed at an earlier point, by using the contact details provided in this letter.

If you choose not to provide your address with your response or withdraw your personal information before completion of the scheme, we regret that we may be unable to consider your response in regard to a particular aspect of it. Nonetheless, any points made will still be considered as general comments.

You can find out more information about how your information is used, how we maintain the security of your data and your rights in regard to the information we hold about you on our website: <https://www.corservltd.co.uk/privacy-and-cookie-policy/>

If you have any other queries regarding the use of your data, you can contact the Data Protection Officer at CORSERV Ltd, Western Group Centre, Radnor Road, Scorrier, Redruth, Cornwall TR16 5EH or phone 01872 323 313.
