

## Community Champion Award Winners 2020

Councillor Rachel Brooks presented the Community Champion Awards for 2020 at the 2022 Annual Town Meeting. The Awards being delayed due to the pandemic, Rachel was Mayor in 2020 and she made the presentations at the beginning of the 2022 meeting.

Name	Award	How have they made a positive difference to life in Liskeard?
Café Abundance	Group	At the start of the pandemic, Café Abundance began delivering meals and groceries to households who were shielding, self isolating or financially depleted as a result of the coronavirus pandemic, and worked with other groups to share resources, coordinate support and ensure they reached those most in need.

Jayne Darlington

Individual

At the start of the pandemic in April 2020 Jayne responded to the lack of available PPE by forming a group to make face masks out of any available material, supplying them to local keyworkers, and then extending this to the general public.

Lighthouse Community Centre	Group	For bringing people in the community together, supporting children, young people and adults, providing free and affordable activities. <i>'Clare and her team will help anyone'</i> .
-----------------------------	-------	---

Real Junk Food Project	Group	At the start of the pandemic the Real Junk Food Project had to stop all its regular community meals and events, and immediately switched their time to delivering fresh produce, groceries and ready prepared meals to those in need, and supporting other local organisations also helping the community. Before and after they continue to support local people and events such as the tea treat in Castle park during Liskeard Unlocked 2021.
