Dear Steve, Staff + Town Councilors,
I would just like to say, how pleased I am at the response from my letter to you regarding the seat in front of the Police Station, I only noticed this work had been done last Saturday, when I went to sit on it. Who ever did this work has done a very professional job, much more than I would have expected.

I am sure that anyone using this seat now and in the future will appreciate this work.

Another thank you for the quick action taken cutting back the yew tree on the hedge next to my plot, and also the cutting of the hawthorn on the roadside hedge, it does look a bit untidy at the moment, but it was not an easy task for the contractor, because of the large wood that he had to cut out, in time this uneven gap will fill up with new growth, and then the younger growth will be much easier to cut, which we might be able to do ourselves, on the inside at least, with Mr Derek Turner of plot M battery operated hedge cutter. Thank you again.

Yours sincerely
