## Equal Opportunities Policy

### **Policy Statement**

The Council is committed to providing equality of opportunity. All employees have a part to play in achieving this and the Council will ensure that individuals are aware of their personal responsibility to follow and support the Equal Opportunity Policy.

No employee, prospective employee, Member of the Public or Elect Member should receive unfair or unlawful treatment due to race, colour, ethnic or national origin, gender, age, sexual orientation, disability, marital status or religious or political beliefs.

The Council will seek to identify and act upon any unfair or unlawful discrimination, which denies individual opportunity on any of the criteria mentioned above. Employees and applicants have the right to complain about unfair discrimination through the appropriate procedures.
