

Exeter University: Brexit Survey

Exeter University has launched a survey to gain an understanding of why people in Cornwall voted for the UK to leave the European Union. The survey results will inform research on lessons for future economic development in Cornwall. The link to the survey is here:

<https://www.surveymonkey.co.uk/r/brexitcornwall>

The survey takes 10-15 minutes to complete and closes on Friday 12th May. All responses will be anonymised, and the contact details of the lead researchers are provided on the first page of the survey if you require more information. The researchers are keen to receive as many responses to the survey as possible, so please feel free to share the link with your contacts.

It is planned for the results of the survey will be presented at two discussion events taking place in Cornwall later this year.
