**New trail could boost tourism and leisure cycling in the Looe Valley**  
A new study will look at the feasibility of developing a cycle trail between Liskeard and Looe primarily following the route of the river and railway line along the East Looe Valley. The proposed Trail could open up the possibility of round trips between Liskeard and Looe using a combination of cycling and the increasingly popular Branch Line trains. Led by Looe Development Trust and due to report in March...

A Town Crier's Competition was held in Liskeard last Saturday – The Mayor of Liskeard Councillor Jane Pascoe judged the Town Crier competition held in Fore Street, Liskeard. This was part of the St Matthews Day Fair celebrations. Ten entrants came from Cornwall Callington, Launceston, Exmouth, Dartmouth, Calne, Frome, Ifracombe, Royal Wotton Bassett and the winner from Lichfield... Funniest extract from the cries came from the Ifracombe Town Crier who encouraged everyone to visit Ifracombe and invited them to take a seagull away with them when they finished their visit.
