

Family History Day 15th June 2019

The Mayor, Rachel Brooks, opened the Family History Day on Saturday 15th June in Liskeard Public Hall. The event, organised by the South East Cornwall Museums Forum, included over 20 organisations from Cornwall and South Devon and was aimed at people researching their family or other local history.

Rachel really enjoyed looking round the stalls which showcased the work of the different organisations and provided a wealth of different types of expertise.
