

Fisher Division Muffineer Presentation

Fisher division class 18/04 was given a presentation by Terry Whitty last week on HMS Pickle at the battle of Trafalgar, her Captain Lt Lapenortiere, and of course the muffineer.

Terry cannot thank Liskeard Town Council enough for letting him take the muffineer to HMS Raleigh to show the next generation of sailors such an important part of Naval history. It was a gift from a King and is such a privilege to show all the recruits.
