GUIDANCE PROVIDED BY HERITAGE OPEN DAYS

A. Exclusions and conditions

- 1. Events on water:** All boats whether moving or moored are not included as they fall under the Marine Insurance Act.
- 2. Means of transport:** Bus tours, train tours (including miniature trains), boat trips and shuttle services on and between Heritage Open Days sites. Bicycle rides and horse-drawn carriage rides.
- 3. Hands-on activities and presentations:** Hazardous 'hands-on' workshops or skills demonstrations such as wood or stone carving, clog making or glass blowing. Only bona-fide craftsmen should be used and it should be ensured that they have adequate insurance in place.
- 4. Re-enactments involving weapons and hazardous equipment:** If you stage a re-enactment event (such as jousting tournaments, re-enactment battles, sieges etc.) as part of Heritage Open Days, you must ensure that the re-enactment society is fully insured.
- 5. Musical instruments:** If you stage concerts, take into account that musical instruments are not insured.
- 6. Access issues:** If you intend to allow access to towers (church towers, lighthouse etc.) or structures below ground level, the access has to be via a sturdy (e.g. spiral) staircase, ideally with a permanent handrail. Access via a freestanding ladder or staircase without a permanent handrail and obstruction to prevent a free fall is not insured under this insurance.
- 7. Food and drink:** If you intend to provide refreshments, please be aware that no liability is accepted for their consumption.

B. Don't risk it! Do your risk assessment and take action before and on your open day

- 1. Prepare:** Carry out a risk assessment and draw up an emergency plan for evacuation, take adequate actions before your event and review them during the day.
- 2. Act professionally and promptly:** Deal with incidents in a diligent and helpful manner; depending on the type of accident, this may range from making the person affected comfortable to calling the ambulance. Don't admit any responsibility.
- 3. Capture and communicate:** Record the facts accurately and comprehensively, take notes from anyone who saw what happened as well as their contact details. Take photographs of the area in question and pass everything on immediately to the Heritage Open Days office and our insurance broker.
